Kimball High School's Mission: To prepare students for successful transition to college and career

The Medical and Health Services Academy (MHSA) Purpose: To meet the needs of our students by preparing them for career and college readiness in the health services community by providing relevant student-driven integrated learning opportunities

Number of Openings Available: 70

Requirements:

1. Complete and Sign Application
2. Personal Statement
3. Inter/Intra District Transfer (if applicable)
4. Placement within Designated Lottery
5. Four-Year Commitment

Student Expectations:

1. Maintain a C or Better in All Courses
 - A. IV Support (Tutoring/Study Hall) Attendance is Expected if Grades Fall Below a C-
2. Follow Academy Dress Code Policy
3. Participate in Extra Curricular MHSA Activities

Medical and Health Services Academy Scheduling: In the event there is conflict in course selection for an upcoming academic year, all MHSA classes will take priority over other courses.

Grades: Students are expected to maintain a C- or better in ALL courses. If a student's grade falls below a C in any course, the student is expected to attend IV Support (Tutoring/Study Hall) until the grade improves to a C or better at the next grading period. IV Support is open to all MHSA students.

Dress Code: To promote unity, excellence, and pride, students will be required to wear scrub tops and/or MHSA shirts.

Projects: Students are expected to complete curricular and co-curricular projects during each academic year. Projects will increase in depth and difficulty as students advance through MHSA.

Guest Speakers: Guest speakers will introduce aspects of the medical and health services.

Extra-Curricular Activities: Extra-curricular activities may be scheduled after school and on weekends. Notification will be made as soon as possible for events/activities that go beyond regular school hours.

- Fieldtrips: As part of MHSA, students will be introduced to various perspectives of the medical and health services profession.

- Internships: Internship opportunities may be available. Specific guidelines will be required and will vary with each internship.
